Dear Prof,

Here I attached reviewer comments after some editing and the paper in latex version.  
Please let me know if there is any suggestion or revision.

Thank you very much.

Regards,

Mariana

# Journal of Information Hiding and Multimedia Signal Processing

<http://www.jihmsp.org/>

Acceptance Letter

Dear Prof./Dr./Mrs./Mr. **Yeong-Chin Chen**,

It is a great pleasure to inform you that the paper referenced below, for which you are listed as the corresponding author, has been accepted for publication in the journal of the Journal of Intelligent Information Hiding and Multimedia Signal Processing (JIH-MSP).

Paper Title: **JIHMSp-1228**

Paper Title: **An Internet of Things Thermostat Sensor Developed with an Arduino Device Using a Recursively Digital Optimization Algorithm**

Authors: **Yeong-Chin Chen , Mariana Syamsudin and Weide Xu**

Please login the JIH-MSP Journal Management System via the hyperlink listed as follows to upload Final Manuscript and Copyright Form:

[http://bit.kuas.edu.tw/~jihmsp/submssion\\_system/submission/login.php?conf\\_alias=jihmsp](http://bit.kuas.edu.tw/~jihmsp/submssion_system/submission/login.php?conf_alias=jihmsp)

Both latex source files and final manuscript in pdf format should be included. You are asked to compress them (tr, gz, zip, rar, or 7z) into a single file and upload it.

The copyright release form must be signed by the authors of this paper. The copyright release form can be downloaded from the following URL:

[http://bit.kuas.edu.tw/~jihmsp/submssion\\_system/submission/JIHMSp\\_CF.pdf](http://bit.kuas.edu.tw/~jihmsp/submssion_system/submission/JIHMSp_CF.pdf)

Sincerely,

Editors-in-Chief

Jeng-Shyang Pan

Fujian University of Technology, China

Harbin Institute of Technology, China
